Nathan E. Nachlas, M.D. Launches New Comprehensive Website

BOCA RATON, Fla. – Boca Raton-based Nathan E. Nachlas, M.D. recently launched a comprehensive website at www.drnachlas.com. Dr. Nachlas is a renowned plastic and reconstructive surgeon specializing in the face, nose and sinuses.

The website focuses on Dr. Nachlas's specialties, which include:

- Total Nose Approach™
- Rhinoplasty surgery
- Nose surgery
- Sinus surgery
- Balloon sinuplasty
- Facial surgery
- Facial rejuvenation

"We're overjoyed with the look and feel of the new drnachlas.com," said Dr. Nachlas. "It's comprehensive in that it educates people with easy-to-understand information including procedures, patient photos and educational videos."

Dr. Nachlas pioneered the Total Nose Approach™, which combines ENT and facial plastic surgery for aesthetically pleasing and natural results that also maximize breathing and health of the sinuses. Dr. Nachlas was the first facial plastic surgeon in the United States to specialize in this all-in-one approach.

He was also the first surgeon in the United States to perform in-office, computer-guided balloon sinuplasty, and his experience with balloon sinuplasty is one of the most extensive in the country.

Dr. Nachlas received his medical degree at the University of Chicago, and trained at Yale (surgery), The Johns Hopkins Hospital (otolaryngology), and Beverly Hills, California (facial plastic and reconstructive surgery).
